Re: "With Distinction" award

Congratulations!!!! You and your excellent music ensemble should be most proud of the outstanding performance that you recently presented at the ISSMA Group I State Qualification Festival.

In accordance with the policy on page 37, letter B, number 5 regarding ensembles that qualify for the "With Distinction" award, you will find enclosed the appropriate "stick-on" award to add to this year's Gold Division Rating plaque.

The designated location for placement of the "With Distinction" sticker is directly beneath the "Gold Rating" on the outline of the State of Indiana.

Please extend our congratulations to your students for their excellent achievement and obvious hard work and dedication.
